

Salt Creek proudly presents the...

# MONARCH BUTTERFLY PROJECT

for GATE STUDENTS in 4<sup>th</sup>, 5<sup>th</sup>, 6<sup>th</sup> grade

Did you know that the Monarch Butterfly migration is in danger? Would you like to do something about it? Be a part of the Salt Creek Monarch Butterfly Team! We bring awareness to the public and build habitats for butterflies at the Salt Creek Elementary School garden. Be a part of the solution that makes a difference in our environment.

We invite all 4<sup>th</sup>-6<sup>th</sup> grade GATE STUDENTS to the MONARCH BUTTERFLY PROJECT. Our wonderful 4<sup>th</sup> grade teacher, Mr. Kriss, will be leading students in planting, researching, and developing awareness around the issue of butterfly conservation.

There will be a total of four Wednesday sessions in Room 505 from 2:55-3:55 p.m.  
These dates are for the Quarter 1 program:

8/16

8/23

8/30

9/6

If you are interested, complete the invite sheet and return it to the school office immediately. Space is limited to only 30 students, so please make sure you turn in the sheet ASAP. Students will be admitted on a first-come, first-serve basis. If you have any questions, please feel free to contact the school office.

Sincerely,  
Lalaine Perez, Principal  
Ashley Vasquez, Associate Principal
